On August 26, 2005, the applicants filed missing requirements in reply to a "Notification of Missing Requirements...", mailed June 30, 2005. Among those missing requirements was a "Declaration to Accompany Application for Patent by an Administrator or Executor" on behalf of the deceased inventor David Bikhovsky.

On January 12, 2006, the PTO mailed a "Decision on Papers under 37 CFR 1.42" which indicated that the aforementioned declaration filed August 26, 2005, was being treated as a request under 37 CFR 1.42. Such decision held that the aforementioned declaration was inadequate because it

“does not include the residence and post office address for the executor” and therefore “is not in compliance with 37 CFR 1.497(b)(2).” Applicants were given a two-month term to comply.

Accordingly, in response to such decision and in full compliance with 37 CFR 1.42 and 37 CFR 1.497(b)(2), attached herewith is a new “Declaration to Accompany Application for Patent by an Administrator or Executor” executed February of 2006, which provides the residence address and post office address of the executor, Sergay Bikhovsky, of the deceased inventor David Bikhovsky.

Applicants respectfully request approval and entry of the attached declaration and forwarding of the present application for examination.

Respectfully submitted,
